1. I have come and I have conquered time and space at your feet, if you will let Me. I have conquered, I have called, I have come and you have come, and you have called and you have conquered. And now I worship you as you worship Me and spend time at My feet and call upon Me, call upon My name, call upon My answers and My solutions, My enigmas not, My contemplation not, My compromises not; but My completeness, My completeness which bears up within itself fortitude and tenacity and strength of pure truth that holds all things together, the word of My mouth; pure truth, flowing water, tainted not. No self-promotion in Me. Me doing what My Father says do, saying what My Father says say, coming before you in strength, purity and meekness which so few understand, which so few try to understand, which so few try to embrace and make a lifestyle patterned after Me.
2. My meekness must come forth. My meekness must come forth to conquer time and space and embrace the solutions, the significant answers that I have to some of your simplest-thought problems. I love you. I love you and I give you Me. Meekness must come forth. Meekness must be understood. Meekness must become the fabric of which My colors are hewn into and from.
3. Motive is all important. I told you that long ago, you know that; motive smells. Motive has fortitude and stamina. Motive has substance. Motive has that which is of not Me or that which is of Me. **Motive is sinew.**
4. Understand Me and what I say and what I am saying. Understand My body. Understand Me, My body. Ears to hear you have been given. Eyes to see you have been given. A heart to grasp, embrace and love on Me and My truths you have been given.
5. Unleash Me. Let Me in, let Me out, let Me grow, let Me give you My river of life, My words flowing through you like torrents of waters gushing, rushing through you daily. Did I not say out of your belly shall flow rivers of living water? Your belly, your core, your in-most, inner-most. See Me and what I am saying.
6. **Your infrastructure that's My infrastructure comes forth now in cataclysmic accord not, but in cataclysmic clashing of forces which now wrangle into gigantic forays of discontinuities and the timid thrash at not being able to understand or grasp, wanting so to simplify their lives and concepts now revealed. Truth placed in front of them which they must now deal with. I love you.**
7. Timidity tames no tigers. Timidity shrinks and shirks from the tangles which now come forth and entangle My all, My all.

8. **Knowing and being known.** Knowing Me, knowing the Father, knowing us one, Spirit of truth, life, life force of one. One blood, one family, before time began, coming back into Me. My fold, My flock, My life, My little ones, My lambs, My altogether lovely who came through Me from the beginning to the end. I love you. I love you and I give you Me and I give you cataclysmic-ly staying power. I give you cataclysmic clarity. I give you power to see beyond and through that which is impenetrable-thought by every force known to you and coming. I give you power to be Me, to be Me in fullness; My infrastructure formed innermost, inner man completely outer fleshed of only Me. I love you.
9. Fear not My words. Fear not being wrong. Fear not being misunderstood. Fear not omitting a word or sentence. Fear not high diving Me and My Mine who will come and high dive increasingly **in My towns, My cities, My Tulsa who I place My name on; My banner, My name, My name on its forehead, its banner being Me.**
10. I love you and I proclaim My truth, My name on Tulsa's forehead. My name on your forehead and the WeekWorkers which come forth, which come forth now all over My globe, from all over My globe into Tulsa and into WeekWorks making many across My globe; My spanses many. I love you.
11. I fear not My words. I fear not to back up My words. I fear not to give My words and I fear not the challenge of those who would challenge My words.
12. I taint Me not. I taint My words not. I taint My servants not and I come forth in might and power now. I come forth in glory and I come forth in My word in torrents coming forth.
13. Ready, be ready for Me. Typists and transcriptionists and technology readies for Me. I love you.
14. No lack. No lack. No lack My people. No lack My people. No lack My people so they will know; they will know, they will know Me in the fullness, they will know Me in the fullness of mankind not; they will know Me in the fullness of Spirit, Spirit to Spirit, Spirit to Spirit in each other. Spirit to Spirit, My Spirit in them, through them, to them, through them, through each other, to each other, for purposes eternal, for purposes joy and laughter filled in abundanced with no lack.
15. No lack My body, as you continue to flow My words. And be fearful none, fearless, fearless yes. Almost not, completely, totally; unbelief none. Smashed! Catharsis none. Lethargy none. Passivity none. The violent, taking it by force (1), My violent one who peace walks in; My who carries a sword, a sword of truth, blending not but battling the forces which would seek to destroy and destruct and determine the fate, the outcomes of lives that are Mine, that are Me.
16. Now go forth in battle array in leadership; leadershiping My leaders; and emblazon My name on their forehead with **tools** of only Me knowing who I am, who they are, where they came from, what their design is, what they are doing, all in WeekWorks of only Me; My design coming forth in sinew of sinew, sinew of only Me. Blood and battle scars not. Blood of My blood, blood of My reign, blood of My beauty, **the**

beauty of My blood: My body, My blood coming forth, flowing between each other; My body in covenant, in covenant with Me, knowing what covenant is, knowing all that it means, all that it implies, all of its ramifications real and living it actively, breathing My body like I intended it to breathe and function fully, and My infrastructure is Me, My Me, My Me, My Me'd ones coming forth. **Me of Me'd teach Me, and teach My Me'd ones, teach My Me'd ones who will be My Me'd ones.**

17. I love you and I give you Me and I give you structure and I give you dates and I give you classes and I give you cataclysmic, gargantuan, manifolded, manifestly emblazoned, **powerful people for Me;** people who death have come; people who drink offering'd themselves before Me, who have seen the night, who have seen the light, **who have defied death and walk now in life and look for more; look for more truth, look for Me; looking for My New Covenant; looking for the realization and the fullness of The Priesthood of All Believers coming forth in the order of Melchizedek,** Me, Me, Me! Me, understand, it's Me, it's Me. It's all Me and it's about Me. And those who through death have come and tasted of Me and drank freely, freely of My living water shall live with Me and sit on My throne even now as days end and before end. I love you. Think it not robbery (2). Permission granted, invitation issued, come be with Me at My table, **equal with Me, submitted fully only; prerequisite, prerequisite, prerequisite understood, activated, and never exceeding.** Crushed, crashing, demised if so. I love you. I give you Me and I walk forth now.

18. I walk forth in The Priesthood of All Believers, My Priesthood of All Believers, My Me coming forth. Watch Me. Watch Me. Ready. In the twinkling of My eye (3). Behold! Behold the Son of Man and the Son of Men! Behold Me! Behold Me who I am and what I am saying, what I am doing. In the twinkling of an eye I come forth. I spiritualize My flesh. I walk on the earth. **I walk on the earth in My Mighty Many,** in My Drink Offering'd disciples who know; who know death, who know love and drink love freely, passing out truth, handing truth, loving truth, being truth, speaking truth, **healing in truth: nations, nations, communities, denominations, declarations going forth into every commerce, every commercial aspect of Me.** I love you. Fear Me not and the power which comes upon you, the power which comes in you, **the power which is in you** which rises up. **Unbelief runs.** I love you.

19. I give you Me and I give you powerful Mitt's, I give you powerful catchers, I give you powerful Monty's, powerful Dot's, powerful Buck's and Timothy's, Barbi's of only Me: Faithful, faithful, faithful.

20. In Me see and what I say and what I am saying. The declaration is so clear, so very clear, in parable not. I love you.

21. Fear Me. Fear Me. Fear Me still. Fear Me more. Fear Me but not in the fear which runs off, **fear Me in the fear that brings you to Me to arm yourself with My intimacy, My love, My forgiveness, My temperance, My longsuffering, My mercy, My grace, My Meekness,** My Meekness, My Meekness. My fear upon you is. Thank you. Thank you for caring about My fear and My meekness and judgements; garnering, gathering,

deliberately, intentionally seeking them from Me. My judgements, My judgements altogether lovely; My judgements, even in wrath against you, seeking what I must change; what you must change for Me to be wholly in you fully. I love you. I fear Me not, you fear Me not, you fear no one else. Thank you.

22. I love you and I give you Me, I give you answers, I give you solutions, I give you steel, I give you bonds of only Me. I give you relationships that come only from My knee. Time at My knee, hours at My knee, hours embracing Me, un-rushed blocks of time with Me. I love you and I fortitude you, I tenacity you even more.

23. The Kingdom of Heaven suffer the violence and the violent take it by force (1), they take the peace, they take My truth, they come into Me knowing the invitation, the way is made, direct access granted as I call. I call and I come and I issue My request day after day, day after day for the fullness of Me to come forth in those who will come drink, drink at My fountain, eat at My table, learn of Me at My knee so I can give them the words of My Father; all the words of My Father, All of My Father, All that I have been granted and I have been granted all (5). And I give, I give, I give, I am a giver and I withhold nothing from those submitted to Me (4).

24. In leadership come, in leadership come, in leadership live and leadership live and live with My leaders, My nation builders, My conquerors who now arise from every plot, from every land known to man and more. I love you. I give you Me. I give you Me. I give you all of Me. All that I am you are. All that you are I am.

25. **Share with Me. Share with Me. Share and share alike, share and share alike with each other.** Understand, understand the Covenant, understand My New Covenant (6) more. More and more I embrace as you seek Me in the middle of the night, the wee hours, the multiplicity of times you come, you cry, you call out to Me. I thank you. I thank you for being satisfied not. Thank you so very much for not controlling Me. Thank you from the depths of My empire, My kingdom, My heart, My life, My blood. Thank you. Thank you for not controlling Me and letting Me speak and not being satisfied with mush and slop and boiled over, thrown out, desperado driven words coming from those who cannot see. I love you.

26. Now come forth and honor all. Remember your roots. Honor all. Honor all. Deference some, deference mighty, deference powerful. I love you. Let them hear. And honor be, Me be. I love you. I love you and I give you Me. I give you more. I give you nation-building kingdoms of only Me; abilities to pull down strongholds over nations many; clasped, clasped so tightly, controlled by enemies so long. Many once free, joy of Me.

27. I love you and I fear not to place you in fearful places with men of fear and mighty swords and strongholds of not Me, to walk Me and Me be fearlessly, fearlessly being Me. I love you and I walk Me now, I walk Me now everywhere you go. I walk Me now everywhere you go. **You hear Me and hear Me well and know that I am with you; I am with you and I do not come and go, I do not leave.** I am you and I thank you for intimacy with Me. Intimacy of Me with your wife, intimacy of Me with others the way I

meant it to be; with honor and joy and laughter and such great respect; lifting, loving, smiling. I love you. Serious be little. I love you.

28. I love you and I give you Me. Fear Me not in what I continue to say and what I continue to prepare you for, preparing My believers, My believers, My believers all, **My all who will drink of death and resurrected be.**

29. I love you and I give you Me. Stephen comes, fear not. Fear not any lack, fear not depleted funds, fear not emptiness, fear not any thought, fear not any person. I am Me and there is no lack in Me.

30. The abundance of graciousness and the overflowing graciousness of abundance is so upon you, so given to you for Me, for Me alone. For Me alone, Ted, Me, Me, Me, only Me. And never forget it and let no one ever let you forget it. It's Me, it's Mine, they are Mine. They are not yours, they are all Mine; **They are My people, they are My blood, they are My family, they are My seed and they came through Me, and every single one is so very precious, so very powerful, so very wonderful, so very, very loved by Me. I love you.** I expand you now. I expand your offices, I expand your sphere, your sphere of leadership, your sphere of influence, your sphere of words going forth.

31. Now, now, now, cataclysmically I conquer the waves, the air waves, the sound waves and I propel you beyond all barriers. Only Me, only Me, only Me, for Me, for My people, for My blood, for My body, for My family. See through Me and transparent be. I love you.

32. Thank you for accountability. Thank you for transparency. Thank you for a risen Savior being to My dying, to My in gutters, to My toothless, to My high fashioned, to My proud and powerful-thought. I love you. Be Me and in My meekness walk. My meekness resound, My meekness pulsate, vibrate and broadcast in only Me.

33. I love you and I give you this day. Go and enjoy and laugh. **Drink and eat of Me so freely, so fully; sharing, sharing, sharing alike and worry not about the details.**

34. **Dramatize not that which declines.**

35. I am Me and I have given you everything. Good day.
